

School Regulations: Ort Arad Comprehensive School and College

Ministry of Education Ort Arad: Leading, Soaring, and Becoming a Star

1. General Principles and Academic Procedures

The school regulations aim to clarify the rules of conduct and order to contribute to an optimal school climate. Every member of the school community is entitled to learn and teach without interference in a pleasant, supportive environment.

Academic Requirements:

- **Curriculum Disclosure:** At the beginning of the year, teachers must present their academic requirements and assessment methods.
- **Grading Components:** The final grade is calculated based on tests, quizzes, and assignments.
- **Evaluation Rights:** Every student has the right to a fair evaluation of their achievements. Multiple assessment factors provide a "safety net" and reduce the weight of any single exam.

Testing and Quizzes

- **Test Schedule:** A schedule will be provided at the start of each trimester (no later than one week before the first test).
- **Scheduling Constraints:** No test or quiz shall be held the day before another test, except for subjects that do not require preparation (e.g., Hebrew Expression or English Unseen).
- **Test Preparation:** One week before a test, teachers will provide a preparation sheet including the material, test structure, sample questions, and study tips.
- **Recent Material:** Students will not be tested on material taught in the very last lesson before the exam.

2. Exam Conduct and Academic Integrity

During the Exam

- **Materials:** All bags must be at the front of the room.
- **Electronics:** Phones must be turned off inside bags; smartwatches are prohibited.
- **Prohibited Items:** If a phone or written material is found on a student (even if not used), it may result in point deductions or disqualification.
- **Exiting:** Students may not leave the classroom during the first 30 minutes of the exam.

- Writing: Tests must be written in pen only; use of correction fluid (white-out) is forbidden. Tests written in pencil cannot be appealed.

Integrity and Consequences

- Cheating: Any student caught cheating or assisting in cheating will have their exam disqualified with a grade of zero, which will be factored into the trimester average.
- Retakes: Violation of academic integrity forfeits the right to a "Moed B" (make-up exam).

Grading and Returns

- Test Return: Tests must be returned within 14 days.
- Feedback: Teachers must provide a rubric or solution key so students understand their mistakes.
- Quizzes: Intended to check diligence on the last 3 lessons; must be returned within 10 days.
- Assignments: Must be returned at least one week before a related test and no later than 3 weeks from submission

3. Attendance and the "Mannot" System

The school views regular attendance as a fundamental condition for success.

The Calculation Table (Attendance Grade Deduction)

Attendance Percentage	Grade Impact
Up to 15% absence	0 (No reduction)
16% - 20% absence	-5 points
21% - 25% absence	-7 points
26% - 30% absence	-9 points
Above 30% absence	-15 points

Bonus: Students with 0% unjustified absences receive a **+3 point bonus** to their annual grade

Justified Absences (Beyond the 15% quota)

The following are considered justified with proper documentation:

- Medical: Illness of 5+ days with a doctor's note, or chronic/hospitalization issues.
- Mourning: One week for a first-degree relative.
- Military/Civil: Army summons (Tzav Rishon), pre-military academy (Mechina) days, or community service approved by the school.
- Driving: Up to two theory tests and two practical driving tests.
- Excellence Programs: Activities for gifted students, "Academy in High School" for grades 11-12, or $\mathcal{R}^{m_v}$ activities for elite athletes/competitions.

4. Conduct and Appearance

School Uniform

- **Shirts:** Solid color with the school logo (printed, not a sticker).
- **Outerwear:** Sweatshirts/hoodies must be solid colors; they do not require a logo if a school shirt is worn underneath.
- **Prohibited:** Tank tops, crop tops, torn clothing, or mini-skirts.
- **Pants Length:** Must reach mid-thigh.
- **Footwear:** No rubber flip-flops (open-back), slippers, or beach sandals

Classroom Behavior

- **Electronics:** Phones are forbidden during class.
- **Food:** No eating or chewing gum during lessons.
